

SPECIAL DEALS – All offers based on a 12-month contract.

Below is a list of special deals, which you can sign up for and benefit from some great prices. A winning situation for both of us. Deals are based on London or Home Counties locations, which I can reach within an hour of North London – N19.

Yes you'll save some money and be able to manage your budgets across the year if you use my services on a committed regular basis, but more importantly, by investing in my services this way, you'll get someone who starts to really understand your venue, hotel or restaurant, get to know the people and create visual assets that align with your goals. Because I have a commitment to you, I'll be bringing ideas with me and being a great support to the business.

We can jump on a call anytime you want to book in and run ideas past me or drop me an email with some thoughts or questions. I'll also bring ideas to you and make sure to follow and engage with your business.

You will, of course, never run out of images for promotion, which will make your marketing team very happy I am sure!

Hospitality is, after all, all about the people, so let's build a great relationship together and I can really help you attract even more happy customers. Cheers to that!

(If one of the packages below, doesn't quite fit, let's chat and I can make you a bespoke deal based on your needs, budgets and digital dreams...)

<p>BEST VALUE! Asset Rich - Monthly Retainer – A monthly Bronze shoot plus a showreel each month + 2 bonus Mini shoots at any time of the year – <i>perfect if you have a special event and you want the room captured beforehand or are planning a promotional feature and need some last-minute pics.</i></p> <p>We'll look at your calendar, pick out a variety of potential dates and events – as well as what's coming up in the wider world – Easter for example, Mother's Day, Valentines, Pride etc and plan for me to come along and capture fresh content for you.</p> <p>This is a great way to ensure regular, quality, fresh digital assets, as well as make your marketing team sing for joy. You'll get great value for money at the same time, as being able to manage your visual marketing budget across the year.</p> <p>You'll never run out of content, you'll get me fully on board with your brand, target market and company style. I'll come up with ideas, motivate you to as well and keep you topped up in material for fantastic marketing. This is how you really stand out!</p> <p>As well as seasonal activity, we can do features on members of staff, capture the set-up for a special event, new menus items etc. This means having a constant supply of fresh, regular content and digital assets for all your marketing needs.</p> <p>Flexible shoot dates and regular planning calls to make sure we get you the shots you need.</p> <p>You can even rollover a Bronze one month and do a full day Silver instead, maybe keep the reel to use on your Mini shoot. It's all flexible each month across the 12 month period.</p> <p><i>You can also hire me to schedule this content for you - see further down...</i></p>	<p>£925 per month</p>	<p>Saving across 12 months - £2000</p>

<p>Capture your Events Content Assets – 2 Silver shoots to capture your most lucrative time of year (Christmas and Wedding season perhaps) plus gather some visual assets, whilst I am there + select 2 events for me to pop along to (2 hours before + around an hour, or so, into the party) to capture the room set-up and some room in use photos at any time across the year including 30 high-res pictures from each event.</p> <p>I will also create two 60-90 sec showreels for you. A great Christmas or Wedding promo perhaps?</p> <p>This will give you some great digital assets to help sell party/event packages. Great for wedding season, corporate packages and Christmas. Book me in early to avoid key dates selling out.</p>	<p>£500 per month</p>	<p>Saving across 12 months - £600</p>
<p>Content Scheduler on two platforms.</p> <p>Perfect to go with one of the retainers above. Or just arrange shoots ad hoc.</p> <p>I will take your digital assets and schedule regular content across two platforms – usually Instagram and LinkedIn – but you can choose which. Not only will I choose the best photos and video for you, but I can also add the messaging, links and relevant tags.</p> <p>If you wish to use my, or other pro, images, and supplement them with in-house and customer photos, this can be a really positive way to post content and I can make some small additional tweaks so that everything looks great – let’s discuss this!</p> <p>We will have regular phone/virtual meetings to go over plans and you can send me ad hoc updates of events, offers etc, will I which organise and post for you. I will also contribute ideas.</p> <p>3 times a week I will hop on to each platform, comment on your posts (if you haven’t already) – in your ‘brand voice’, monitor DMS and bring anything needed to your attention.</p>		<p>£1200 per month</p> <p>Signing one of the retainers above? £1150 per month</p> <p>Signing the Asset Rich - Monthly Retainer? £1100 per month</p>
